**MEMO ENDORSED**

Re: *U.S.A. v. Quincy Palmer*, 16-cr-20 (KPF)

Dear Judge Failla:

I write with the consent of the Government to request an adjournment of our upcoming Violation of Supervised Release (VOSR) hearing for Quincy Palmer, which is currently scheduled for February 16, 2023. For the reasons that follow, we request that this matter be adjourned until after March 16, 2023.

### ***Procedural History***

Mr. Palmer first appeared on the VOSR on May 18, 2021, and the matter was adjourned for a VOSR hearing to be held on July 21, 2021. With the consent of the Government, we have previously requested several adjournments of that hearing due to a lack of material updates in his District of New Jersey case, each of which the Court granted. The hearing was most recently adjourned to February 16, 2023.

### ***Request for Adjournment***

On September 4, 2021, Probation issued an amended VOSR report to include specifications relating to Mr. Palmer's arrest in New Jersey for unlawful possession of a firearm. Since then, Mr. Palmer's New Jersey charges have been dismissed, but on November 22, 2021, Mr. Palmer was arrested by federal authorities for unlawful possession of a firearm by a convicted felon. Mr. Palmer is now detained in the District of New Jersey on case number 3:22-cr-00282-FLW. His next court date in the District of New Jersey is March 16, 2023.

In light of Mr. Palmer's pending case, I request—with the consent of the Government—a further adjournment of the conference scheduled in this case to a date after March 16, 2023.

Respectfully submitted,

Sean Hecker
